

THE STATE OF

CAR RENTAL

2025

The State of Car Rental

The annual State of Car Rental Report aims to educate the car rental industry by offering comprehensive, data-driven insights into key evolving challenges, emerging opportunities, and market trends. This report serves as a valuable resource, empowering businesses to stay informed, foster innovation, and maintain competitiveness in an ever-changing landscape.

Logomark

Logo Construction

Mono Color Logo

Our monochrome logo design is simple and elegant, making our brand look minimal and easy to remember.

Color :

Red: #FF4C4C

Yellow: #FFD700

Green: #4CAF50

The use of red, yellow, and green aligns seamlessly with the traffic light metaphor, creating an intuitive and universally recognizable visual system. This ensures that the chart is easy to understand and visually engaging.

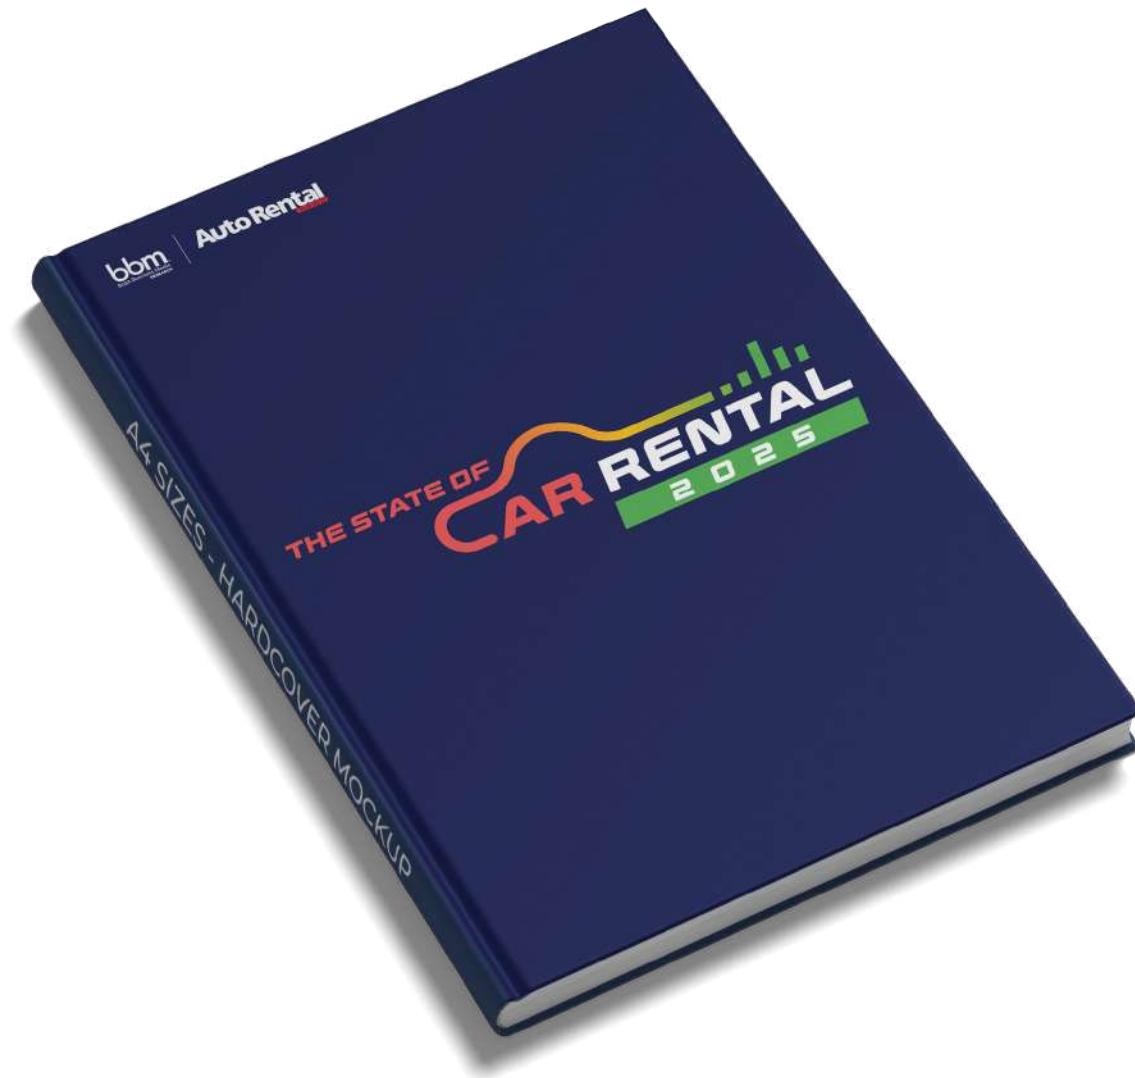

Shape:

- The logo features a car shape at the top, symbolizing the car rental industry.
- A bar chart on the right represents data, insights, and reports.
- It combines car rentals with analytics, aligning with the report's purpose.
- The design is simple, clear, and professional, making it ideal for media use.
- It effectively conveys the connection between car rentals and data-driven reporting.
